

MEDICAL EDUCATION FOR MASSAGE THERAPISTS

SELF-CARE HEALTH SEMINARS

Dynamic & Comprehensive 3-hour Seminars on Health Conditions & Diseases, designed for Self-Care for consumers & healthcare professionals, interested in learning about:

- How a disease or health condition develops
- Signs & Symptoms
- Diagnosis & Prognosis of a disease
- What can you do to prevent diseases
- Treatment Options – *traditional & non-traditional (including nutritional, self-care, naturopathy, homeopathy, massage, etc.)*

Seminars are available online

In-person Seminars are available at your location for groups of 10 or more

Cost: \$39 per person, per seminar - Pay thru PayPal or send your check by mail.

For reservations, please email: seminars@medicalmassagenetwork.org
